OF BAIL.

ook county jail.

The alleged swindle operated by Hoffneimer extends over a period of eight-ten months. His relations with the Morris family, it is said, made it possible for Hoffhelmer to carry out the scheme for such a long period without detection. Two years ago, while the young man was carrying on a small commission business in buying and sellng cattle feed, it is alleged be went to S. W. Strauss & Co., and explained hat he was buying large quantities of cotton seed and cotton seed hulls which he disposed of to Nelson Morris & Co.

#### Needed Large Sums.

In order to carry on the business, it is alleged, he explained that a large amount of money was necessary to take up to the drafts which were made daily

Nelson Morris & Co., for the amount for which he had informed them he had sold the feed to the packing company. The draft taken by the bankers was deposited in their banks in the usual courts of their business

was subscribed at the Riverton meeting, and this amount has been increased largely since that time.

The promoters of the company anticipate that their application for the Utah lake water will be contested, but they have to be able to show that they they hope to be able to show that they an example, he cited the fact that while can take out the water without in-juring existing rights to the waters of has built up a large business here, the old company has more business than

it ever had. able the manufacturers to unite in seing as to the quality of sand in Utah, the coal supply and freight rates. The g com-less in letter expressed a willingness to inves-tigate the situation here with a view to establishing a glass plant.

He also urged that the women be ortwo weeks before he was removed to ganized to work among the housewives Fort Leavenworth, with money he had of Utah and urge them to use home

> Fisher Harris took a slight exception to a remark made by Mr. Hewlett that Salt Lake is poorly advertised.
> "It is one of the best advertised cities

### NEW ORLEANS FIRE It is one of the best advertised either in the United States," asserted Mr. Harris, and he called attention to the work being done by the Commercial club, the hotels and the railroads. Five Classes of Membership.

Mr. Hewlett presented the report of the ommittee on membership, which provid-d for five classes of members, as fol--Manufacturers rated as being worth B.—Manufacurers rated as worth under \$10,000, to pay dues of \$3 per month. C.—Merchants and professional men men worth \$10,600, to pay dues of \$3 per

All other people interested in the elopment of Utah and the west, they

#### pay no dues. The report was unanimously adopted. To Incorporate Association.

Attorney Mathonihah Thomas reported the constitution of the association, which was in the form of articles of incorporation. Its salient features provided for the election of a board of fifteen directors, they to elect the officers of the association; that the capital stock of the association was to be \$10,000, divided into shares of \$1 each, and that no individual or corporation be allowed to own more than one share; that the directors be allowed to contract indebtedness up to 19
